Hey Adam,

I will be out of the office tomorrow. When I get back on Monday, I will email you the signed document.

Sorry. Have a nice weekend.

Would you be a gem and sign and email this back to me in support of a motion to vacate the dismissal. Apparently the affidavit from Kate Corbett that she was on [REDACTED] was not enough for the judge. Thanks!

Hi Adam,

No worries.

Suffolk Superior, I believe it was: Cw. v. [REDACTED] with ADA Lauren Greene. (Lauren and I needed wine and chocolate after that case.) Haha

Have a nice weekend.

Annie

Annie -

So as much as we joked about it before, the Court has ordered me to find out what case in what court you were testifying on the trial date of this case. That date was 6/2/11 and when I spoke to you (or the lab) I found out you were stuck in some court somewhere, but I can't for the life of me remember where. Can you look through your files and let me know if you find anything? Sorry to burden you with this. Thanks!
